

Where Do I Go?

Rachel Chinouriri

I've been waiting all summer eve
I've been waiting for autumn leaves to fall
I've been climbing all the mountains for you and me
I've been looking for the signs if we'll ever meet
I've been sky rocketing all my life
And I don't know the power of us
I've been taking this trip all my life
And I don't know the power of love

I want you, I need you
I need you, I need you
I want you, I need you
It's the power, the power of love

Where do I go? Where do I go?
Where's my soul delivered? I do not know
Can you take me home? Take me home?
Where the world is bigger
Where the world is bigger

Have it our own way
Fly like the doves, please take us above
We'll be like the old days, I know
Paint our lives with something black and white
We're open to the world we seem to know

Where do I go? Where do I go?
Where's my soul delivered? I do not know
Can you take me home? Take me home?
Where the world is bigger
Where the world is bigger
Where do I go? Where do I go?
Where's my soul delivered? I do not know
Can you take me home? Take me home?
Where the world is bigger
Where the world is bigger

Where do I go? Where do I go?
Where's my soul delivered? I do not know
Can you take me home? Take me home?
Where the world is bigger
Where the world is bigger
