

Do Better

Rachel Grae

Lock me up
Throw away the key
'Cause apparently there's nobody as bad as me
Criminal, as far as they could see
At least, that's the way you tried to paint me out to be

Don't worry I'll take the fall
I'll be a cover up for ruining it all

Tell everyone I cheated
Stole your car and keyed it
And while you're asleep at night I'll set your house on fire
Go pretend you hate me
Treat me like the crazy one
Yeah you keep doing you
And I'll do better

Kinda wish that I was capable
But I don't think that I could ever stoop that low
Why don't you come and teach me all you know?
'Cause from everything I've seen, you're such a pro

Tell everyone I cheated
Stole your car and keyed it
And while you're asleep at night I'll set your house on fire
Go pretend you hate me
Treat me like the crazy one
Yeah you keep doing you
And I'll do better

Oh, oh, oh
I'll do better
Ooh

Don't worry I'll take the fall
I'll be a cover up for ruining it all
Call me the villain
If that's what you want
We both know the truth, you're the crazy one

Tell everyone I cheated
Stole your car and keyed it
And while you're asleep at night I'll set your house on fire
Go pretend you hate me
Treat me like the crazy one
Yeah you keep doing you
And I'll do better
