

Caroline

Rachel Platten

Like a cold glass of water in the desert sun
Like a wild raging river to your arms I run
We can make it in this world but I gotta keep you close
Baby stay with me, stay with me, please don't go

Please don't go, Caroline
Cause I'm afraid I'm close to giving up this time
You really know me, Caroline
You give me strength when I feel like mine's left behind

You keep me moving when I think I can't
You keep my feet up when they're dragging in the sand

Like a cold glass of water in the desert sun
Like a wild raging river to your arms I run
I can make it in this world but I got to keep you close
Darling stay with me, stay with me, please don't go
Darling stay with me, stay with me, please don't go

Please don't go, Caroline
You give me faith when I feel like I'm left behind
You really know me, Caroline
You're the reason I'm still standing here tonight
You keep me groovin, when I think I can't
You keep my feet up when they're sinking in the sand

Like a cold glass of water in the desert sun
Like a wild raging river to your arms I run
I can make it in this world but I got to keep you close
Baby stay with me, stay with me, please don't go
Honey stay with me, stay with me, please don't go

C'mon stay with me
Roll with me
Stay with me

Cause every time I think about tomorrow I pray

Like a cold glass of water in the desert sun
Like a wild raging river to your arms I run
I can make it in this world just gotta keep you close
Baby stay with me, stay with me, please don't go
Baby stay with me, stay with me, please don't go

Please don't go

Like a wild raging river to your arms I run
I can make it in this world just gotta keep you close
But darling stay with me, stay with me, please don't go
Honey stay with me, stay with me, please don't go
