

I Know

Rachel Platten

God, this is embarrassing, I'm crying on a Saturday night
I can't believe I'm back here, two days ago the world was alright
This winter's been forever, does it feel like someone's stretching out time?
My head is such a mess right now, I feel like I'm losing my mind

There's just so much that I don't know right now

But I know, I know, I know
The storms will come and go
And though I feel alone
This too shall pass, I know
I know, I know, I know
There are no highs without the lows
And though my heart feels broken
This too shall pass, I know

I shouldn't doubt myself, it's obvious what this is about
My fear is like a river, and honestly, I'm scared I will drown
I'm sick of all this crying, isn't there a time when my tears run out?
My friends think I'm courageous, but that's crazy because I'm so full of doubt

There's just so much that I don't know right now

But I know, I know, I know
The storms will come and go
And though I feel alone
This too shall pass, I know
I know, I know, I know
There are no highs without the lows
And though my heart feels broken
This too shall pass, I know

Come on and deliver me, deliver me, deliver me
Come on and deliver me
This pain won't last, this too shall pass
I know
Come on and deliver me, deliver me, deliver me
Come on and deliver me
This pain won't last, this too shall pass, I know

This too shall pass, I know
