

# Surrendering

Rachel Platten

I'm exhausted from holding on so tight  
The rope is slipping and my knuckles are turning white  
Trying to force things is no way to live a life

Give me love, give me loss, give me everything

My hands are open  
I'm letting go  
I'll find my freedom when I lose control  
I'm giving in, let me lose, let me win  
I'm surrendering

No one's perfect  
God knows that I tried  
But at least I'm learning  
To not resist the tide  
And I have a feeling  
These are holy tears I'm crying

Let 'em out, let it in, give me everything

My hands are open  
I'm letting go  
I'll find my freedom when I lose control  
I'm giving in, let me lose, let me win  
I'm surrendering

I'm giving in, feel the rain on my skin, I'm surrendering

Where there's rain, there's a rainbow  
And everything heals in time  
I don't know what I'm afraid of  
When life's just a beautiful ride

My hands are open  
I'm letting go  
The wind will take me where she blows  
I'm giving in, let me lose, let me win  
I'm surrendering

I'm giving in, feel the rain on my skin, I'm surrendering

I'm surrendering
