

# Blue Afternoon

Rachel Stevens

Do Do Do Do, Do Do

Love washed out  
The colors fade  
Love so red  
Is now pale  
Never found  
A pot of gold  
At the end of all my rainbows

Blue afternoon  
Nothin' to do  
Wonderin' why I'm feelin'  
Blue afternoon  
Thinking of you  
Wonderin' why I cry on  
My blue afternoon

Case of love  
Is what we'll be  
I indulge  
In sweet envy  
Sand is tinged  
With streams of gold  
But, I've been told  
That on a rainbow

Blue afternoon  
Nothin' to do  
Wonderin' why I'm feelin'  
Blue afternoon  
Thinking of you  
Wonderin' why I cry on  
My blue afternoon

I can continue  
Can't give it up  
Why can't they  
So I'd live it up  
My feelings  
Will they ever stop  
For you  
For you...

Love came back  
In shape of you  
And now my afternoon  
Is blue  
Everywhere  
I look is gold  
At the end of every rainbow

Blue afternoon (Blue) (Afternoon)  
Everything's new (Everything's new)  
Suddenly I'm not feelin'  
Blue anymore (anymore)  
Never again (Never again)

Never say, "Go away"  
Go away  
Go away  
You blue afternoon
