

# Silk

Rachel Stevens

Dangerous is you to me, addicted I sure am  
Lock me up and keep me from this devil's master plan  
It mystifies me how you drive me crazy with a kiss  
Spellbound, boy, I still dream of this

I like the way you look at me  
Every mornin' when I wake up  
I can't deny sometimes I believe  
Give me what I need

Your touch is like silk  
Strokin' my body  
Softer than skin  
Bringin' my pleasure in  
Your touch is like silk  
Makin' me shiver  
Makin' me sweat  
I must get free of this boy I cant forget  
Your touch is like  
Your touch is like  
Your touch is like  
Silk

Fragile is this broken heart, can't take this pain no more  
Inflammable is my whole life, yes, I've been burned before  
Keep my distance, though I'm drawn to everything I miss  
Tongue tied, I can still taste your kiss

I like the way you smile at me  
In the evening 'cross a crowded room  
I can't forget how good it feels  
When you're close to me

Your touch is like silk  
Strokin' my body  
Softer than skin  
Bringin' my pleasure in  
Your touch is like silk  
Makin' me shiver  
Makin' me sweat  
I must get free of this boy I cant forget  
Your touch is like  
Your touch is like  
Your touch is like  
Silk

Your touch is like silk  
Strokin' my body  
Softer than skin  
Bringin' my pleasure in  
Your touch is like silk  
Makin' me shiver  
Makin' me sweat...

Your touch is like silk  
Strokin' my body  
Softer than skin

Bringin' my pleasure in  
Your touch is like silk  
Makin' me shiver  
Makin' me sweat  
I must get free of this boy I cant forget  
Your touch is like  
Your touch is like  
Your touch is like
