

My Forever Love

Rachelle Ann Go

All my life I've waited for someone like you
Now you're here you're the only one
Who holds the key to my heart

You look into my eyes then I am hypnotized
You're all I see

Now look what love has done,
I've finally found someone
I'll never be alone again
So I promise to be true my forever love

I was down with no one to call my own
Then you came and you warmed my heart
With feelings that I never knew

You took me by the hand
And now I understand what love can do

I can't hide all that I'm feeling inside
Nobody else can make me feel the way you do
