

Of All The Things

Rachelle Ann Go

Of all the things I've ever done
Finding you will prove to be the most important one
I would never trade the tears
the conversations no one hears
the learning how to walk before we run

Of all the kites I ever flew
Most came tumbling down
except the one I sent up with you
I dont wanna change a thing
break the spell or cut the string
when every wish I make is coming true with you

Sometimes I forget to say how much I love you
Purposely I bet cause I'm so busy thinking of you

So in this world of odds and ends
I'd rather have a part of you than all of my so-called friends
You have taught me how to feel
What is false and what is real
of all the things I ever wanna do
I think I'll start and end with loving you

You have taught me how to feel
What is false and what is real
of all the things I ever wanna do
I think I'll start and end with loving you
