

Boy Breaks Heart

Racoon

And the boy broke her heart
And her heart broke by boy
Thrown back to the start
Thrown out like a toy
So the girl she ran off
And her dad was afraid
'Cause his laughter in life
It was taken away

Away

Her dad couldn't take
That he's girl felt alone
He knew 'bout the boy
And drove straight to his home
Went up to the roof
Played God for one night
No blood on his hands
No blood and no proof

Put your hands on my heart
Please take it all away
From me
'Cause it's so heavy this heart
Please take it all away

Look in my eyes
Can you tell me the truth?
Can you see what disguises
Live hidden beneath?
It's all in my face
And there is no excuse
Please say there's no need
'Cause there is no proof

Put your hands on my heart
Please take it all away
From me
It's so heavy this heart
Please take it all away

And the boy breaks her heart
And the girl fades away
She's falling apart
Yeah she's losing her ways
She is weary and drowsy
Just like in the movies
Nothing that pleases
Man, life should be groovy
Well the boy fell apart
And the girl lost her way
The police at that door
It's too much for one day
You play what you can
You duck and avoid
She'd give everything
Just to fill up the void

The girl's locked away
In her castle of clay
Her father's afraid
'Cause his girls gone away

Away

She's gone away

Away

Away

Away

Put your hands on my heart
Please take it all away
It's so heavy this heart
Please take it all away
Just take it away

Away

Away

Away

Away

Away

Away
