

## Bring It On

Racoon

Sitting on top of his shoulders where no one could get to me  
Living life to the fullest without hurting anyone that doesn't  
need to be

A piece of my old man's advice

Don't ever drown in the blues, my son  
It's time to pick up the fight and do all that needs to be done

And maybe one of all these days we'll all be older  
One of all these days we'll do what is right  
Until that day comes, man, you bring it on

Bring it on, man, 'cause I ain't scared of you  
So bring it on  
Yeah bring it on, man, 'cause I ain't scared of you  
I ain't scared of you

You've still got the love pouring through every bone in your body  
I can't teach you how to live but I can give you pointers alright  
You don't need to be big  
You don't need to be strong  
Just know when they hit and when they run, my son  
Just being brave doesn't mean that being scared is always, always wrong

And maybe one of all these days we'll all be older  
One of all these days we'll be singing along  
Sing along with bring it on

So bring it on, man, 'cause I ain't scared of you  
So bring it on  
So bring it on, man, 'cause I ain't scared of you  
So bring it on  
You bring it on  
So bring it on, man, 'cause I'm not scared of you  
Oh no, I ain't scared of you
