

Daffodils

Racoon

I'll fill your house with daffodils
I'll bring you tea and I'll pay the bills
I'll tell you tales of any kind, 'cause I love you
About drunken sailors, I'll fight them all
I'll conquer castles, climb the walls
With one arm, broken legs, I'll crawl and get you

'Cause I wanna believe
In all those things you say
And even if I don't believe
Would it matter anyway?
I'll throw my cards down on the table
Hope you'll do the same
'Cause true love is only easy
When two can play the game

I'll say I'm wrong, when I know I'm right
'Cause you give me goosebumps every night
I'll take it like a punching bag when your shitstorm comes my way
I'll ride it out until the end of day
And I'll eat up all the crap you say
I'll ride it until the morning light 'cause your beauty paves the way

What if I told you I would leave you
An easy breadcrumb trail?
I'd rob a bank if you asked me
I'll walk straight into jail
And I'll throw my cards down on the table
Hope you'll do the same
'Cause true love is only easy
When two can play the game

Oh-oh-oh
La-da-da-da-da
La-da-da-da-da
La-da-da-da-da
La-da-da-da-da
La-da-da-da-da-da
La

Well, love is old and it feels like new
But you don't feel it like I do
Well, true love is only easy
Yeah, true love is only easy
Well, true love is only easy
When two can play the game
