Racoon

I don't know how to get up early
A church bell for alarm is simply not enough
I'm scared to lose the dreamy moment
So when I get the chance I shut it off

The dream I dreamt is fading slowly
All I know is that I lost a fight
Well I'm still tired, like I've been working
Like I live another life at night

Just getting up to drink my coffee
I walk towards the toilet do my thing
The mailman's late, repeats the story
Shit, he's earlier than yesterday

Somehow it seems cut up now
Twisted views on daily news and all
The tube is watching you now
So turn it off and shake it off now

Daily news does nothing new
So you read your horoscope
Just to verify they're lying
Turn the page in search for white space
Deserts or snow valleys would be fine
There's no joy; no one is dancing
Daily news' power makes me cry
So what's the use of making chances
Why don't we all smile our daisy smiles?

Somehow it seems cut up now
Twisted views on daily news and all
The tube is watching you now
So turn it off and shake it off now

I'm looking for a smile
I'm looking for a reason why
Because it seems so long ago
That people smiled their daisy smiles

Somehow it seems cut up now
Twisted views on daily news and all
The tube is watching you now
So turn it off and shake it off now
