

## Don't Give Up the Fight

Racoon

Please don't give up the fight  
For no reason, but your own  
I never said the fight would be easy  
Because it won't

I will remember you, and all that we have been through  
There is no angel, that can be more angel than you  
I see you every night, when your star is shining bright  
And I cry and I smile, I wish you were here, with me

Well I am so proud to be your father  
I am so proud to be your mum  
And I am so proud to be your brother  
So may this be your song

Please don't give up the fight  
For no reason, but your own  
Cause I never said the fight would be easy  
Because it won't

I will come look for you  
When this life is tough with this buddy  
Before now I still need to live for we are not alone  
And you are not alone  
We're at home loving and waiting  
And so afraid

But I am so proud to be your father  
So proud to be your mum, and I will always  
Be proud to be your brother  
So may this be your song  
Please don't give up the fight for no reason  
Please don't give up the fight for no reason
