

Stay Little

Racoon

I remember very well, my daughter's little arms around my neck
And how she told me not to go away, but if I did, when would I
be back

How she looked at me and said

"I love you daddy, please why can't you stay"
Meanwhile my heart flipped over in it's cage
I had to push my blues away

Hey little darling
Please know that there's plenty of time
Hey little darling
Keep the boys and your makeup in line
Stay little for a while

I remember very well, all the promises I made and took away
And all the times I wasn't there to
Hold you close to me when you were afraid
And now it's 3 o'clock in the morning and it's me who lies awak
e

Hey little darling
Please know that there's plenty of time
Hey little darling
Keep the boys and your makeup in line
And stay little for a while

Hey little darling
Please know that there's plenty of time
Hey little darling
Keep the boys and your makeup in line
Stay little for a while
