

# The Battle of Springtime

Racoon

Wake up, wake up with me  
Or leave me in this winter sleep  
You two are such a lovely pair

Hand me some scissors, and I'll cut your perfect hair  
Your perfect hair  
Oh such a lovely pair

If it's diversion you seek  
I'm sure there's something on TV  
Break up, see if I care  
I guess summer's in the air, somewhere

Pick up the pieces of time  
You are all that I want  
You're all that I long for  
Winter has frozen our minds  
Before summer comes there's always a battle  
We first have to battle springtime  
Battle springtime

Stay in, stay in too long  
You'll miss the bus unless you run  
Filtered out all of the good ones  
Break my heart and I'll be gone  
I'll be gone  
I'll be gone

Pick up the pieces of time  
You are all that I want  
You're all that I long for  
Winter has frozen our minds  
Before summer comes, there's always a battle

(Will you be home)

Pick up the pieces of time (When summer comes)  
You are all that I want  
You're all that I long for (Will you be home)  
Winter has frozen our minds (When summer comes)  
Before summer comes there's always a battle (Will you be home)  
We first have to battle springtime  
Battle springtime  
Battle springtime  
There's always a battle of springtime

Wake up, wake up with me  
Or leave me in this wintersleep
