Radiation City

Pay your  
Payment to me  
Give it up  
There's nothing left to see

You're giving  
Away  
Your time  
Come play with me

Oh oh oh oh oh oh oh oh...

La la la la la la la la  
La la la la la la la la

Play here with me oh...

Pick your poison  
A lasting lick  
From a soothing song  
In a dry, dry desert  
Cacophonous occasion  
Couldn't conjure up the stamen  
Cover up the prints we came in  
Not enough for lucky layman JUICY

La la la la la la la la  
La la la la la la la la  
La la la la la la la la  
La la la la la la la la

Play here with me oh...

~~~♪♪♪ ~~~

Play here with me oh oh....

(Juicy!)
