

# Nothing Compares 2 U

Radical Face

It's been seven hours and fifteen days  
Since you took your love away  
I go out all night and sleep all day  
Since you took your love away

And since you been gone I can do whatever I want  
I can see who ever I choose  
I can eat my dinner in a fancy restaurant  
But nothing, said nothing can take away these blues

Cause nothing compares  
Nothing compares to you

It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me, baby, where did I go wrong

I could put my arms around every boy I see  
But they only reminds me of you  
I went to the doctor and guess what it told me, guess what it told me  
He said, "Boy, better try to have fun no matter what you do"  
But he's a fool

Cause nothing compares  
Nothing compares to you  
Compares to you  
Nothing compares to you  
Compares to you  
Nothing compares to you

All the flowers that you planted, mama  
In your back yard  
They all died when you went away  
I know living with me baby is sometimes hard  
But I'm willing to give it another try

Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you
