

Video Games

Radical Face

Swinging in the backyard
Pull up in your fast car
Whistling my name

You open up a beer
And you say, "Get over here
And play a video game."

I'm in his favorite sun dress
Watching me get undressed
Take that body downtown

And I say, "You the bestest."
Lean in for a big kiss
Put his favorite perfume on
Go play a video game

But it's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you wanna do
I heard that you like the bad girls
Honey, is that...?
It's better than I ever even knew
You say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do

Singing in the old bars
Swinging with the old stars
Living for the fame

Kissing in the blue dark
Playing pool and wild darts
Video games

He holds me in his big arms
Drunk and I am seeing stars
This is all I think of

Watching all our friends fall
In and out of Old Paul's
This is my idea of fun
Playing video games

It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you wanna do
I heard that you like the bad girls
Honey, is that true?
It's better than I ever even knew
They say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do

Now you do
Now you do
Now you do

Now, now you do
Now you do
Now you do

It's you, it's you, it's all for you
Everything I do
I tell you all the time
Heaven is a place on earth with you
Tell me all the things you wanna do
I heard that you like the bad girls
Honey, is that...?
It's better than I ever even knew
You say that the world was built for two
Only worth living if somebody is loving you
Baby, now you do
Yeah baby, now you do
