

Keep On Ramblin'

Radio Company

Left town again for no reason
Hit the floor I was away
Nothin' wrong 'bout how I'm livin'
I know how long here I can lay

Time is only
Passing if you think of it that way
This life of crime is lonely
But only if you let it in to stay

So, keep on ramblin'
Keep on ramblin'
Keep on ramblin'
Keep on ramblin'

Headed southbound for the season
Cut a trail no one would know
To hell I ride before I give in
With the cavalry in tow

Time is only
Passing if you think of it that way
This life of crime is lonely
Only if you make your getaway

So, keep on ramblin'
Keep on ramblin'
Keep on ramblin'
Keep on ramblin'

Running headlong in the valley
Toward the hills of San Miguel
Pushing flat out for my freedom
Left 'em all a tale to tell... do tell

Keep on ramblin'
Keep on ramblin'
Oh, keep on ramblin'
Keep on ramblin'
Oh, keep on ramblin'
Keep on ramblin'
