**Em**            **C**  
Oh Banana Co  
**G**    **G/F#**    **G**    **G/F#**  
We really love you and we need you  
**Em**            **C**  
And oh Banana Co  
**G**    **G/F#**    **G**    **G/F#**  
We'd really love to believe you but...  
**Cm**            **G**  
Everything's burning down  
**Cm**  
We've got to put it out  
  
somehow...

**C**    **C**    **C/B**    **Am7**    **G**  
yeah yeah

Oh, she said no go  
She said she'd like to  
She's seen you but no, no go  
She says if you die then we all do

And everything's underground  
We gotta dig it up somehow...
