

Last Flowers

Radiohead

Appliances have gone berserk
I cannot keep up
Treading on people's toes
Snot-nosed little punk

And I can't face the evening straight
You can offer me escape
Houses move and houses speak
If you take me there you'll get relief
Relief, relief, relief, relief...

And if I'm gonna talk
I just wanna talk
Please don't interrupt
Just sit back and listen

'Cause I can't face the evening straight
You can offer me escape
Houses move and houses speak
If you take me there you'll get relief
Relief, relief, relief, relief...

It's too much
Too bright
Too powerful

Too much
Too bright
Too powerful

Too much
Too bright
Too powerful

Too much
Too bright
Too powerful
