

## Planet Telex

Radiohead

You can force it but it will not come  
You can taste it but it will not form  
You can crush it but it's always here  
You can crush it but it's always near  
Chasing you home saying  
Everything is broken  
Everyone is broken

You can force it but it will stay stung  
You can crush it as dry as a bone  
You can walk it home straight from school  
You can kiss it, you can break all the rules  
But still...  
Everything is broken  
Everyone is broken

Everyone is, everyone is broken  
Everyone is, everything is broken

Why can't you forget?  
Why can't you forget?  
Why can't you forget?
