

## Bedtime

Radish

I think it's past our bedtime; let's go to sleep now, yeah  
I think it's past our bedtime; let's go to sleep  
I think it's past our bedtime; let's go to sleep now, yeah  
I think it's past our bedtime; let's go to sleep

I don't understand the question  
I don't understand the question

We crush a flower in heaven, violet envy  
We'll waste an hour in heaven, and go to sleep  
My inside is out, and you're winning  
Her children will not know beginning

I don't understand the question  
I don't understand the question  
The question
