Condom (□□□□□; Kondōmu)

RADWIMPS

Everybody say □hey yo!□ (hey yo!)
Everybody just say □hey yo!□ (hey yo!)
At first, sit up straight, open your eyes, look in
Straight to my eye of a size of a mind now
Here is a couple of things I wanna say to you
Today is the day for me and for you
I wish it is if it isn't so-yo-ho-mo-doshiyo...

Open your mind and brain, thoughts for just today
For all the lives you produced today
For things you wish to succeed someday
All your meanings will blow away
Generated descendant, hiding inside you independent
Irritating sentences, genes, to all of my living senses
