

Hocuspocus

RADWIMPS

I'm not interested in any betting like in pokers
What's the point of guessing which is which of them's the jokers
Plenty of guessing and cheating, already right preachers?
Some say it's a microcosm of this world, but who cares?

I guess you've just chose the different planet all you haters
This one's not created for men like you, only dreamers
I would kindly ask you not to bother me you creatures
I'll be good and you go home we'll meet you in next century

Mou sukoshi dake notteke
Itai itai no wa tondeke
Soshite mata koi shiyoun
Sukashiteru yatsua hottoke

I guess I'm not old enough to understand my grade card
First of all, how well you know about me Mr. Teacher
If I were you it'd take a couple of years to give me grades
Now, it's my turn to give you one what can you do to cheer me

Moshi ka shitara boku dake?
Tte omotta sono kazu dake
Kimi wa kagayaiteru
Yatsura wa mou hottoke

Samete katamatta atama wa mazu chin shite
Sono ato reitouko de sanjikanhan hiyashite
Matsu sono aida ni kisu demo shiyoun ka
Ah Ah Ah nou wa oitote sa
