I'm always feeling something warm inside you

Mommy
Have I become the person you wanted me to?
Have you ever hated me from the bottom of your heart?

If you have started hating yourself because of me
Don't hesitate to forget me

Mommy
I wanted to become the person you considered me to
I wanted you to just look at me, not my brother

Even if you have started hating yourself because of me
Please don't forget me

When I saw mommy crying again, I was playing a tune I had found
That made me feel like crying too

I'm Mr. Lonely lonely loveable
Mommy, please say that I'm your treasure
I'm Mr. Lonely lonely loveable
Lady, now, say that you were proud of me

Mom, embrace me with your voice and smile with your face
Don't quarrel in front of me, because
I' m so worried when you're not around
Don't give up on love

When I saw mommy crying again, I was playing a tune I had found
That made me feel like crying too

I'm Mr. Lonely lonely loveable
Mommy, please say that I'm your treasure
I'm Mr. Lonely lonely loveable
Lady, now, say that you were proud of me

When I saw mommy crying again, I was playing a tune I had found
That made me feel like crying too
Mommy, please show me your smile even if it's a forced one, because
I'm always feeling something warm inside you
