

Changed Up

Rae Sremmurd

Run it... o-ohh
Yoo... I ain't even got a blunt right now?
This ain't me
Who this is?

Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck?
Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck? Huh?

Damn, I done came up now a nigga stacking green
I could go and buy Supreme but I'm in love with Gucci Jeans
Shawty in love with my steez, bring these bitches to their knees
I got all this fuckin' swag and I can't even... [*sigh*]
I can't even stop it, all these watches that I want
I stack it up, then cop it
Guess the lesson of the day is: keep stackin' your dollar
And them bitches chasin' me so I ain't gotta holla

Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck?
Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck? Huh?

Feel like Jay-Z the way I'm pulling strings

Feel like I wrote the book the way I'm running game
They think I'm a crook the way I take him
I don't even wanna call a hoe
Cause she on go
Ayy
Uncle Jxmmi fresh I'm talking head to toe
Ayy, I'm still puttin' on for Tupelo
Ayy, I treat a 20 like a groupie hoe
Head down, head up
Get down on the floor

Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck?
Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck? Huh?
Oh you sayin' I done changed on ya
How I changed on ya
You were never one of my niggas
You were never one of my homies
Tell me how?
I said damn, e'rrbody want a piece
When you're up
When you're down, ain't nobody 'round
Tell me what the fuck? Huh?
