Man the hate don't quit, so I ain't gon' quit  
All my niggas want to win, we'll take that shit  
Don't know what the record is, but we gon' break that shit  
And we don't need no fuckin' break we stay awake for that grip  
Yeah  
We stay awake and go get it (go get it)  
Uh, I gotta shine on these bitches  
I'ma prolly get the SL lifted (get it lifted)  
Cause I don't think the 24's gonna fit it  
My double cup dizzy

Told my bitch to bend it over and take the dick  
Gotta get it by all means that's why I chase them nigs  
Cigarillo full of kush, and I look like a light  
Keep it fresh like a mint  
When I ride behind tint  
I used to dream about ballin' now I switched on you hoes  
I went and got me a bag and draped my body in gold  
Sold my soul to a pot 'cause I'm re-rockin' them Os  
I stay down and committed, that's why I die by the pennies  
I been hustlin' all night tryna get me a milli  
Why you people Strappin all the time when you be dealin'
