

Rock N Roll Hall Of Fame

Rae Sremmurd

Whip so fast, I never take a pause
No more talk, we're kicking down the doors
I wouldn't change this life for anything, it wouldn't be the same (same)
Everybody saw me taking off (taking off)
Fuckin' what they say, party hard (party hard)
Everyone around me is rock n roll hall of fame

We're the ones in charge now, who are y'all?
Looking at this chick like 'where we goin'? '
If you're not a ten, you can never get in my car
Jumpin out the cab, tell em let my hand go
Diamonds everywhere and they dance like disco
Rubber bands pop, that's how I let my cash go
Need a wrist band, bad bitch at my shows
Standing on the stage like Axl Rose
If you can see my eyes, then you're way too close
Baby, I'm the one that had a scandal
I don't play the bass but I keep the band goin'

Whip so fast, I never take a pause
No more talk, we're kicking down the doors
I wouldn't change this life for anything, it wouldn't be the same
Everybody saw me taking off
Fuckin' what they say, party hard
Everyone around me is rock n roll hall of fame

I don't need a Wraith to see the stars
I look into the mirror, there they are
No I'm not Shawn Michaels but I'm breaking hearts
And the way I'm living, it's so rated R
Everyone 'round me fillin' up they cup
Smile for the camera, middle finger up
Look at my mouth and you gon' see a blunt
I might be leanin' like I need a crutch
If he a hater, I'm gon let him hate
But if the energy negative I stay away
25/8 I be up for the cake
25/8 I be up, boy
We takin' trips over the border
I got two girl in my bed and they bored
I'm feelin' pain, I don't know how to show it
Put on my chain and it feel like it's snowing
Ear Drummer Records, we the bang
Keep a lil' hit on the charts and they know it

Whip so fast, I never take a pause
No more talk, we're kicking down the doors
I wouldn't change this life for anything, it wouldn't be the same
Everybody saw me taking off
Fuckin' what they say, party hard
Everyone around me is rock n roll hall of fame

Road rage in the Lamb like a Dodge Durango
3 Chains on yea, call me Django
Ten days on the road, two days in the same clothes
Party so hard, I'm immune to hangovers
Hardy Boy, on God, jumpin' off the top bro
Me I showboat, them they do the upmost
Love her then I'm gone, I'm a rolling stone
Flexin' what I have, young nigga macho

Jumpin out the cab, tell em let my hand go
Diamonds everywhere and they dance like disco
Rubber bands pop, that's how I let my cash go
Need a wrist band, bad bitch at my shows

Whip so fast, I never take a pause
No more talk, we're kicking down the doors
I wouldn't change this life for anything, it wouldn't be the same
