Christian Dior on my feet
Throwin' it up like it's YMCA (Ayy)
Digital license plates
I can't wait to hop out the 1028 (Ayy)
And they treat me like royalty
I mean get to the check a priority
Tryna book, I don't order (Order)
We in the place, so the conduct disorderly (Yeah)

We in the place, so the conduct disorderly

Walk in store, they treat me with kindness
Why ask the price when I know I'ma buy it?
I need a cape 'cause I stay on some fly shit
Red carpet fresh, but I ain't got a stylist
Walk in the bank and they meet me in private
Maybach got traced like a plane, I'm a pilot
Eatin' up the [?] like a Italian
Bitch might be thicker than Megan Thee Stallion
I'm havin' options, don't know what too say
Should I rock the Dior or Louis today?
The 'shrooms got me feelin' like I'm on a wave
When I make a move, they screamin', "Hooray"
