

# I Love Muhammad

Raef

I close my eyes  
And I see the most beautiful smile  
From the most beloved  
The final Prophet of all mankind

Al Mustafa  
Came to a world drowning in greed  
For you and for me  
A perfect guide to be  
Until the end of time

Peace be upon him  
I love Muhammad  
His loved ones and kin  
I love Muhammad  
Whenever, wherever  
I love Muhammad  
Now and forever  
I love Muhammad

All night and all day  
I love Muhammad  
No matter what they say  
I love Muhammad  
A mercy for all  
We'll answer the call  
And say I love Muhammad

Gentle and brave  
His heart he gave  
To those downtrodden  
The weak and forgotten  
For all the world to save

I pray he will be  
Standing with me  
On that final day  
We'll seek Allah's grace  
Until then we'll sing and say

Peace be upon him  
I love Muhammad  
His loved ones and kin  
I love Muhammad  
Whenever, wherever  
I love Muhammad  
Now and forever  
I love Muhammad

All night and all day  
I love Muhammad  
No matter what they say  
I love Muhammad  
A mercy for all  
We'll answer the call  
And say I love Muhammad

Salla Allahu ala Muhammad  
Salla Allahu alayhi wa sallam  
Salla Allahu ala Muhammad  
Salla Allahu ala Muhammad  
Salla Allahu alayhi wa sallam  
Salla Allahu ala Muhammad

Peace be upon him  
I love Muhammad  
His loved ones and kin  
I love Muhammad  
Whenever, wherever  
I love Muhammad  
Now and forever  
I love Muhammad

Peace be upon him  
I love Muhammad  
His loved ones and kin  
I love Muhammad  
Whenever, wherever  
I love Muhammad  
Now and forever  
I love Muhammad

All night and all day  
I love Muhammad  
No matter what they say  
I love Muhammad  
A mercy for all  
We'll answer the call  
And say I love Muhammad
