

## It's Jumuah (Friday)

Raef

5AM waking up for Fajr  
Got to make Wudu, got to pray my Sunnah  
Got to make Ghusl, got to clip my nails  
Looking outside, the sun is rising up in the sky  
Everybody's rushing  
Got to get down to the masjid  
Got to say "Salam!" to the Imam

Sitting in the first Saff, chilling in the back Saff  
Got to make my mind up... Do what the prophet did!

It's Jumuah! Jumuah!  
Got to make dhikr on Jumuah,  
Everybody's looking forward to His mercy, mercy  
Jumuah! Jumuah!  
Got to make dhikr on Jumuah,  
Everybody's looking forward to the Ajr  
Miswaking!, Miswaking!  
Miswaking!, Miswaking!  
Pray, Pray, Pray, Pray  
Got to read Surat Al-Kahf

12:45 the Imam's on the minbar  
Talking about something like "Fiqh Az-Zakat"  
They're whispering, chatting from the crowd  
Don't they know that it's haram  
I stand up, you stand up  
Prayer's about to start "Qad, Qaamat es-Salaah"  
Foot to foot! shoulder to shoulder! Just don't step on me!

Sitting in the first Saff, chilling in the back Saff  
Got to make my mind up... Do what the prophet did!

It's Jumuah! Jumuah!  
Got to make dhikr on Jumuah,  
Everybody's looking forward to his mercy, mercy  
Jumuah! Jumuah!  
Got to make dhikr on Jumuah,  
Everybody's looking forward to the Ajr  
Miswaking!, Miswaking!  
Miswaking!, Miswaking!  
Pray , Pray, Pray , Pray  
Got to read Surat Al-Kahf

It's Jumuah Jumuah  
Got to make dhikr on Jumuah,  
Everybody's looking forward to His mercy, mercy  
Jumuah! Jumuah!  
Got to make dhikr on Jumuah,  
Everybody's looking forward to His mercy
