

(Rabbee) I'm Yours

Raef

Well I've done-done wrong and you bet I felt it
I tried to be chill but it was so hot that I melted
I fell right through the cracks
And I'm trying to get back!
Before the cool done run out
and I'll be giving it my bestest
And nothing's going to help me but divine intervention
I reckon it's again my turn...to win some or learn some!
So I won't hesitate no more, no more
This cannot wait, I'm Yours! Rabbee I'm Yours!!

Well open up your mind and see like me
Open up your plans and man, you're free!
Open up your heart and you'll find love, love, love :)
Listen to my music and maybe sing with me?
I love peaceful melodies
It's our God-
forsaken right to be loved, loved, loved, loved, loved!

So I won't hesitate no more, no more
This cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, Rabbee! Rabbee! I am Yours!

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
and my breath fogged up the glass
So I drew a new face and laughed :D
I guess what I be saying is there ain't no better reason,
to rid yourself of vanities and just go with the season
It's what we aim to do
Our name is our virtue!

So I won't hesitate no more, no more
This cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, Rabbee! Rabbee! I am Yours!
Rabbee, Rabbee, I am Yours!
Rabbee, Rabbee, I am Yours!
Oh, Rabbee, Rabbee, I am Yours!
