

## With You

Raef

Allah  
I need Allah  
And the hearts all over the world tonight  
I said there's hearts all over the world tonight  
What can I do?  
I need Allah  
And the hearts all over the world tonight  
I said there's hearts all over the world tonight

Wish I was smarter, when I was younger  
Found something better, made me a winner and  
I'm so glad to be Yours  
It's my life that you own  
I start my journey when You forgive me  
I swear my whole world stops  
You are in my heart and  
I'm so glad that its fine  
You are one truly kind  
You lighten me  
(I) Feel it, through and through, and  
For sure ya Rabbee, there ain't nothing You can't do  
Because if I got You  
I don't need money  
I don't need cars  
Lord, you're my all

And oh...  
I'm into You my Lord  
No one else would do  
With every test you put me through  
The miracles, you help me do  
And now I know I can't be the only one  
I bet there's hearts all over the world tonight  
With the Love of their life who feel...what I feel when I'm  
With You, with You, with You, with You, ya Rahman  
With You, with You, with You, with You, ya Raheem

I don't want nobody else  
Without You there's no one left and  
The Master of judgment day  
I got to have Your love and I cannot do without  
If I got You  
I don't need money  
I don't need cars  
Lord, you're my all

Oh  
I'm into You my Lord  
No one else would do  
With every test you put me through  
The miracles, you help me do  
With You, with You, with You, with You, ya Rahman  
With You, with You, with You, with You, ya Raheem

And I will never try to deny  
That You are my life cause if You  
Ever let me go I would die

So, I won't front  
I don't need another mission  
I just need you as my vision  
If I got You, I'll be straight  
Rabbee, I need you every day

I need Allah  
And the hearts all over the world tonight  
I said there's hearts all over the world tonight  
What can I do?  
I need Allah  
And the hearts all over the world tonight  
I said there's hearts all over the world tonight

Rab ighfirly  
Fantal kareemuu  
Wa3fu ya rabbee  
Fantar raheemuu  
With You, with You, with You, with You, ya Rahman  
With You, with you, with you
