Your Mercy

Raef

They warned him before but he wouldn't listen
He left this world and had no chance to stay
The time that we spent... it seems so frozen...
But now it's far too late you've passed away

Every night you cry yourself to sleep
Thinking: "Why does this happen to me?"
"Why does every moment have to be so hard?"
Hard to believe it!

Down on my knees tonight,
Ya Rabbee one more chance to make it right!
I may not make it through the night
I won't give up on Your mercy!

Through every test, I'll never get over
My actions and my thoughts kept me awake
The weight of the things that remained unspoken
Built up so much it crushed me everyday

Every night you cry yourself to sleep
Thinking: "Why does this happen to me?"
"Why does every moment have to be so hard?"
Hard to believe it!

Down on my knees tonight,
Ya Rabbee one more chance to make it right!
I may not make it through the night
I won't give up on Your mercy!

Down on my knees tonight,
Ya Rabbee one more chance to make it right!
I may not make it through the night
I won't give up on Your mercy!

Of all the things I felt but never really shown
Perhaps the worst is that I ever let it go
I should have never let it go!

Down on my knees tonight,
Ya Rabbee one more chance to make it right!
I may not make it through the night
I won't give up on Your mercy!

It's not over tonight,
Ya Rabbee one more chance to make it right!
I may not make it through the night
I won't give up on Your mercy!
I won't give up on Your mercy!
I won't give up on Your mercy!
No, I won't give up on Your mercy!
