

Yeah, Majestic, marvelous, mind over matter more  
My murderous militant mutilate millions  
Monsters with the most masculine muscle  
Maxing in a major way, munching making more moves maintainin'

Multimillion dollar mansions manufactured [?] mud  
Through this metropolis  
Millimeters are met with the mufflers  
My method is meditative musical medicine  
With sergeant mentality mechanisms

I'm medicated materials methane meet the master massive  
Y'all monkeys no match, make a mistake and get mauled by this mamba  
Movin' with the mobsters of Molotov  
When I mingle in a midnight, moments are muggy

Mossberg, mind ya motion  
Get molded in the morgue  
Your mouth is muted, mockin' my music  
Got your wife mutilized, bank account minimized  
The most malicious, 'membered for meltin' mics be my mission

We millimeter speakers, M&N, back to back rap, relax  
You featherweight cats can catch this  
P.U.R.E one electric, we fine like coke that stretch quick  
So aggressive, we got now, fuck who the next is

Narcotics, narcos, negotiate this nice diss  
Nah, never that's a negative, it's nonnegotiable  
Nemesis they need to fill the Nas  
Nonchalant narrators  
Navigatin' niggas are nauseous, bro  
Because they numerals are nathin', none, nada  
Nefertiti women neutralizing our nectar, they so naughty  
Advise y'all nerves to be neutral, all of that nonsense  
Should kick us not no wedding living off the land with no mans  
Nah, level nostalgic, we notable, notice the nozzles  
These nuclear nose brothers are nonsensical  
Nuisance is not a necessity  
We necessary, we the new nickel mans so just ask Nancy  
Nominated and so notorious  
Get ya neck broke for ya numbnut  
Negligence your life is numbered  
Highly respected, ninety-nine attributes  
Now you know who's recognized as the Nobles  
Peace to Nova Scotia

We millimeter speakers, M&N, back to back rap, relax  
You featherweight cats can catch this  
P.U.R.E one electric, we fine like coke that stretch quick  
So aggressive, we got now  
Fuck who the next is
