The Wild Intro

Yeah, back at it right? In rap mode again I'll wild dimension where We do this to the maximum skill level That literature gotta light shit up The Wild... The Wild right, the jungle with no rules We run this forest bitch, we live by the water We eat the fruits nigga and we speak the prophets that empowers strong prophecies King Lex... This album is dedicated to the honorable Mel Carter Rest in Palaces, kid... The Wild That's what it is That's what it is We're tryin'a take all the fly shit off And play like this...
