Always Sing

RaeLynn

Aren't we all the same?
Hearts with different names.
All looking for a place.
We can be who we are, and know who we are.

Don't we all deserve?
A moment to be heard.
Don't we all have words that show who we are,
Cause we know who we are, yeah

When life's got you feeling crazy wound up like a ukulele.
When you start to think that maybe you don't have a voice.
Go on and let your feet stomp till your heartbeat feels that be at drop.
Yeah you just gotta stand up and make some noise.
When you can't say a thing you can always sing.
When you can't say a word you can always sing.

We're all microphones with songs all of our own and everywhere we go they know who we are,
'Cause we know who we are.

When life's got you feeling crazy wound up like a ukulele.
When you start to think that maybe you don't have a voice.
Go on and let your feet stomp till your heartbeat feels that be at drop.
Yeah you just gotta stand up and make some noise.
When you can't say a thing you can always sing.
When you can't say a thing you can always sing.

You can always sing it at the top of your lungs.
Sing, it out everyone, sing it like it ain't been sung.
You can always sing it at the top of your lungs.
Sing, it out everyone, sing it like it ain't been sung, you can always,

When life's got you feeling crazy wound up like a ukulele.
When you start to think that maybe you don't have a voice.
Go on and let your feet stomp till your heartbeat feels that be at drop.
Yeah you just gotta stand up and make some noise.
When you can't say a thing you can always sing.
When you can't say a thing you can always sing.
When you can't say a thing you can always sing.
When you can't say a thing you can always sing.
