

They say I'm there perfect girl  
The kind you take to mama the kind you cant ignore  
Did ya laugh it off and just sell her crazy  
& I find your datin some girl named stacey  
When will this dream come to life

Oh, when ya tell me that you want me  
Tell me that you need me baby  
Cause I been sittin here waitin, waitin for you to come save me  
Tell me does it feel right under this porch light, look me in t  
he eye  
Tell me that you want me even if ya have to even if ya have to  
lie

I guess I'll give up on fairytales  
Take back all my pennies from that wishing well  
Oh, why cant we be Will and Kate?  
I know that we could be that great

When will you see us through my eyes  
Oh, maybe tonight  
You'll tell me that you want me  
Tell me that you need me baby  
Cause I been sitting here waiting  
Waiting for you to come save me  
Tell me that it feels right under this porch light  
Look me in the eye  
Tell me that you want me even if ya have to,  
Even if you have to lie

Oh the truth is I don't want the truth  
I just wanna be with you so baby believe me this is what we nee  
d  
This is what I need

So tell me that you want me  
Tell me that you need me baby yeah  
Cause I been sittin here waitin  
Waitin for you to come save me  
Tell me that it feels right under this porch light  
Look me in the eye  
Tell me that you want me even if ya have to  
Even if ya have to lie
