Dame kilos que los dobro, si ahora trabajo los cobro
Soy demonio como bro si no soy bandido no dobro
Quiéreme ese es en vida
Ni mente la tengo yo en odio buscándome una salida
Siento que todo soy el sabio (Yo)
No quiero ser tu amigo
Tengo mil enemigos
Me tapo sin testigos y tiro que te traspasan el ombligo (Brr, brr)
Haciéndome las misiones con el koala
Con el sufián
Ocho de menos mi hermano la libertad me la voy a rifar
Si no soy yo quien me va a levantar
Flotando por el mal como avatar
Pienso mientras quemo me voy a quemar
Ah-ahh

Take it, because you want it
Don't need permission, 'cause you already own it
Don't need to fake it, because you want it
Don't need permission, 'cause you already own it
