

If You're Happy and You Know It

Raffi

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it
And you really want to show it
If you're happy and you know it, clap your hands

If you're bananas and you know it, let it ring
If you're bananas and you know it, let it ring
If you're bananas and you know it
And you really want to show it
If you're bananas and you know it, let it ring

If you're beautiful and you know it, shout hooray

If you're beautiful and you know it, shout hooray
If you're beautiful and you know it
And you really want to show it
If you're beautiful and you know it, shout hooray

If you're happy and you know it, clap your hands
If you're happy and you know it, clap your hands
If you're happy and you know it
And you really want to show it
If you're happy and you know it, clap your hands
