

Freedom

Rage

You are insulted from my words
These days when everybody hurts
They make a business with the denunciation of the people
That don't believe in what they say

(Oh...) don't need no muzzle tagger, no hidden dagger
(Oh...) don't take the words from my mouth
Keep my freedom and peace

You try to build your mind control
Just one opinion for us all
But I don't want nobody telling me what I shall think

(Oh...) don't need no muzzle tagger, no hidden dagger
(Oh...) don't take the words from my mouth
Keep my freedom and peace
(Oh...) don't need no muzzle tagger, no hidden dagger
(Oh...) don't take the words from my mouth
Keep my freedom and peace

(Oh...) keep my freedom and peace
(Oh...)

(Oh...) don't need no muzzle tagger, no hidden dagger
(Oh...) don't take the words from my mouth
Keep my freedom and peace
(Oh...) don't need no muzzle tagger, no hidden dagger
(Oh...) don't take the words from my mouth
Keep my freedom and peace

Keep my freedom and peace!
