Hatred

Rage

Oh, shit, I'm gettin' sick of this
I'm caught and can't escape
It's gonna blow my head, you fucker get away
Me, madman in a rage

I hit the ceiling
Outta my mind
Oh, when I get free
I'm gonna hang 'em high

Hatred
Hatred!
Hatred
Hatred!

Oh, baby, it's so unfair
The whole thing's such a mess
Would someone keep the door locked up
When the house is falling in?

The time is coming
I don't want no more
I should believe in
Oh, man, what a bore

Hatred
Hatred!
Hatred
Hatred!

I hit the ceiling
Outta my mind
Oh, when I get free
I'm gonna hang 'em high

Hatred
Hatred!
Hatred
Hatred!

Maybe you think it's allright, well
But ain't it a pity to hang around
With nothin' to do but watching it
Maybe someone needs a big kick in his map
So I can help!

Hatred
Oh no, oh no
Hatred!
Hatred
Oh no, oh no
Hatred!
