

# Wake Me When I'm Dead

Rage

Will you wake me?  
Wake me when I'm dead

I think it's time now, I gotta go  
But don't you shed a tear when I'm gone  
Before it's over  
I hope that I don't suffer too much, when it's over

I don't want to miss this place  
I hate to leave, I just can't face  
Realities of death, I will deny  
Realities of death, I will deny

Will you wake me?  
Wake me when I'm dead  
Will you wake me?  
Wake me when I'm dead

And when I grow cold you cotta put a spell on me  
Before I grow cold  
Just one injection and maybe I can stay on your side  
If the shot works

I don't want to miss your face  
The warmth of summer  
Springtime's grace  
Realities of death, I will deny  
Realities of death, I will deny

Will you wake me?  
Wake me when I'm dead  
Will you wake me?  
Wake me when I'm dead

Will you wake me?  
Wake me when I'm dead

I think it's time now, I gotta go  
But don't you shed a tear when I'm gone  
Before it's over  
I hope that I don't suffer too much, when it's over

I don't want to miss this place  
I hate to leave, I just can't face  
Realities of death, I will deny  
Realities of death, I will deny

Will you wake me?  
Wake me when I'm dead  
Will you wake me?  
Wake me when I'm dead
