

# Baby I'm Amazed

Raghav

Keep it on the low  
Baby when you're day is over  
No one needs to know  
How you're getting what you need

Ooh...  
She don't know it  
But I saw it minute she walked through that door  
Trying so hard not to show it no  
But I feel every night when she gets home yeah...

See baby I'm amazed by you  
How could you try it play it cool for so long  
Yeah don't know I see through you  
So let me take you to a place where you belong  
Right here right now

You don't need to say a word yeah I know  
I see the way there working you to the bone  
Tonight you ought a sit back relax and let me rub your back  
Take it slow  
You don't need to say a word yeah I know  
I see the way there working you to the bone  
Tonight you ought a sit back relax and let me rub your back  
Take it slow

You gotta relax  
I'll pull that stress out your body into mine  
So just lay back  
I'm gonna fill you up with brand new life tonight

See baby I'm amazed by you  
How could you try it play it cool for so long  
Yeah don't know I see through you  
So let me take you to a place where you belong

You don't need to say a word yeah I know
