Raghav

Sajaaonga lutkar bhi tere badan ki daali ko  
Lahoo jigar ka doonga haseen labon ki laali ko  
Sajaaonga lutkar bhi tere badan ki daali ko  
Lahoo jigar ka doonga haseen labon ki laali ko

Dilwale dulhaniya le jaayenge  
Le ja le ja  
I wanna give it all the way  
Ain't no time to sit and talk this through  
When you and I know what we need to do  
Promise you that we won't look back no more

Oh chica!  
Bonita!  
I'm taking you with me this time  
Te quiero!  
Te amo!  
Just tell me you'll stay by my side  
So let's say adios and leave all our troubles behind  
Desperado  
Desperado  
In this together we live or we die

Sajaaonga lutkar bhi tere badan ki daali ko  
Lahoo jigar ka doonga haseen labon ki laali ko

Oh we could go wherever you want  
London or Paris  
Yeah, we could take a drop-top Benz or a horse and carriage  
It's a crime he don't know what to do with you  
How to touch you and love you like I will do  
Oh, I promise you that we won't look back no more

Oh chica!  
Bonita!  
I'm taking you with me this time  
Te quiero!  
Te amo!  
Just tell me you'll stay by my side  
So let's say adios and leave all our troubles behind  
Desperado  
Desperado  
In this together we live or we die

I would die for you, baby  
Anywhere you be at I would fly to you, baby  
Tryin' things I wouldn't try for you, baby  
I mean, I don't really smoke but I'll get high with you, baby  
(Roll up)  
We could keep it clean  
We could get dirty  
Whatever you like  
Jo bhi, teri marzi  
Nahi mili kabhi teri jaisi ladki  
Except maybe once in Jersey  
I could feel your heartbeat  
Dil dhadak dhadak jaaye

And it's so cliché, but I don't want you to be the one that got away  
Let's get away  
I want you by my side  
You could be Bonnie I'll be Clyde  
Tu meri rani  
Meri parchaayi  
In this together we live or we die, baby

Sajaaonga lutkar bhi tere badan ki daali ko  
Lahoo jigar ka doonga haseen labon ki laali ko

I don't wanna be in and out of love  
Without you I'm lost in the dark  
So let's run away 'cause I know how to love you, girl with every little piec  
e of my heart

Oh, oh, oh, oh, oh  
Ohhh

Oh chica!  
Bonita!  
I'm taking you with me this time  
Te quiero!  
Te amo!  
Just tell me you'll stay by my side  
So let's say adios and leave all our troubles behind  
Desperado  
Desperado  
In this together we live or we die

Sajaaonga lutkar bhi tere badan ki daali ko  
Lahoo jigar ka doonga haseen labon ki laali ko  
Hai wafa kya iss jahaan ko  
Lahoo jigar ka doonga haseen labon ki laali ko
