

Fire

Raghav

Sometimes I'm high sometimes I'm not
Tonight I'm ready ready to rock
No sitting home all alone not tonight tonight I'm in the zone

Cuz I'm on fire fire fire fire fire tonight
I'll take you higher higher higher higher higher tonight
Cuz I'm on fire baby burn it up
I'm on fire baby burn it up
I'm on fire fire fire fire fire tonight
And we gonna burn this shit (down)
And we gonna burn burn it down
And we gonna burn this shit (down)

Come lose yourself just be a freak
I ain't gonna judge you get out your seat.
No use in bringing your troubles to the door
Come and join me I'm tearing up the floor

Cuz I'm on fire fire fire fire fire tonight
I'll take you higher higher higher higher higher tonight
Cuz I'm on fire baby burn it up
I'm on fire baby burn it up
I'm on fire fire fire fire fire tonight
And we gonna burn this shit (down)
And we gonna burn burn it down
And we gonna burn this shit (down)
And we gonna burn burn it down

I pay my dues I done my time
So turn up the heat now I'm burning tonight
I pay my dues I done my time
So turn up the heat now I'm burning tonight

Cuz I'm on fire fire fire fire fire tonight
I'll take you higher higher higher higher higher tonight
Cuz I'm on fire baby burn it up
I'm on fire baby burn it up
I'm on fire fire fire fire fire tonight
And we gonna burn this shit (down)
And we gonna burn burn it down
And we gonna burn this shit (down)
And we gonna burn burn it down
