

# Alone

Rag'n'Bone Man

Hurry up and find the one  
Who makes you feel like you've become complete  
Feed the kids and wash their clothes  
Be jealous of the life that's out of reach

You've never felt that way inclined  
It's taken all the years to find out you're free, supposedly

All your sisters and your brothers all have significant others  
of their own  
Must be a thousand times she told ya that your body's getting o  
lder, don't you know

Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
When you're on your own

You'll get married to a man who has all the desired plans for l  
ife  
You didn't think you'd end up here and you'd be more than just  
somebody's wife

You're out of time is what they said  
Now look who's sleeping in your bed  
You're still free, supposedly

All your sisters and your brothers all have significant others  
of their own  
Must be a thousand times she told ya that your body's getting o  
lder, don't you know

Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
When you're on your own

Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
Don't that make you feel alone?  
When you're on your own
