

Hope You Felt Loved At The End

Rag'n'Bone Man

I tend to think of you
When I feel overcome
Lean into the darkness
Like flowers move towards the sun
I tend to think of you at the strangest times
Still things I never asked you
Are playing heavy on my mind

I said a prayer for you my friend
Even though I don't believe

I had so much to say
Before the time slipped away
Oh, but time, it won't wait
And that's a hard thing to shake
It's the little things that matter
But hard to explain
And I hope you felt loved at the end

Minutes turn to hours
Hours into days
I stopped counting distance
'Cause it won't make my feelings change

I've said prayers for you my friend
Even though I don't believe in anything

I had so much to say
Before the time slipped away
Oh, but time, it won't wait
And that's a hard thing to shake
It's the little things that matter
But hard to explain
And I hope you felt loved at the end

I had so much to say
Before the time slipped away
Oh, but time, it won't wait
And that's a hard thing to shake
It's the little things that matter
But hard to explain
And I hope you felt loved at the end
